

Elements and Principles of Design

Name: _____

Darkroom Photo McFee & Munley

	Beginner (5 pts)	Proficient (10 pts)	Intermediate (15 pts)	Advanced (20 pts)	Student Points	Teacher Points
Craftsmanship, Three Images	Images appear to have multiple blemishes (scratches, fingerprints, dust, chemical marks) and little to no care was taken to prevent or eliminate them.	Images appear to have various blemishes (scratches, fingerprints, dust, chemical marks) and an proficient attempt was made to prevent or eliminate them.	Images appear to have a few blemishes (scratches, fingerprints, dust, chemical marks) and Intermediate care was taken to prevent and eliminate them.	Images appear to have little to no blemishes (scratches, fingerprints, dust, chemical marks) and extreme care was taken to prevent and eliminate them.		
Craftsmanship, Contact sheet/film	Contact sheet appears to have multiple blemishes (scratches, fingerprints, dust, chemical marks) and little to no care was taken to prevent or eliminate them. -Film was not developed properly	Contact Sheet appears to have various blemishes (scratches, fingerprints, dust, chemical marks) and an proficient attempt was made to prevent or eliminate them. -Film was not developed totally correct	Contact Sheet appears to have a few blemishes (scratches, fingerprints, dust, chemical marks) and Intermediate care was taken to prevent and eliminate them. -Film was developed properly, but most of the roll was exposed properly	Contact Sheet appears to have little to no blemishes (scratches, fingerprints, dust, chemical marks) and extreme care was taken to prevent and eliminate them. -Film was developed properly, and appears to have no blemishes, negatives are properly exposed		
Composition and Design	Images disregard an effective use of the rule of thirds or little to no compositional consideration was taken.	Images over all proficiently demonstrate the rule of thirds or little compositional consideration was taken.	Images generally demonstrate an effective use of the rule of thirds and some compositional consideration was taken.	Images exemplify an effective use of the rule of thirds and noticeable compositional consideration was taken.		
Four Images, two elements, two principles	-Student did not choose the most successful images/examples -Student did not print two examples of two elements and two principles .(Total of 4 prints) -The images lack any connection to the element and principles the student were aiming for -Missing prints	-Student chose some successful images/examples -Student printed two examples of two elements and two principles ,(total of 4 prints) however they lack significant connection to the elements or principles the student was aiming for. -No missing prints	-Student chose the mostly successful images/examples -Student printed two examples of two elements and two principles ,(total of 4 prints) however they lack in connection to the element or principal the student was aiming for. -No missing prints	-Student chose the most successful images/examples -Student printed two examples of two elements and two principles . (total of 4 prints) -The images connection significantly to the elements or principles the student was aiming for. -No missing prints		

	Beginner (5 pts)	Proficient (10 pts)	Intermediate (15 pts)	Advanced (20 pts)	Student Points	Teacher Points
Exploration of Spaces	Student did not explore enough/ any location or spaces that could give them a variety of material to gather visual information from.	Student selected a location or spaces that could give them a variety of material to gather visual information from.	Student selected a variety of locations and or spaces that could give them a variety of material to gather visual information from.	Student selected and explored multiple locations and or spaces could give them a variety of material to gather visual information from. .		
Applied Knowledge	Is unable to put into practice skills and theories based on discussions, readings, and observations	Has little ability to put into practice skills and theories based on discussions, readings, and observations	Has some ability to put into practice skills and theories based on discussions, readings, and observations	Has excellent ability to put into practice skills and theories based on discussions, readings, and observations		
Printing Log	Student did not include or used the log ineffectively.	Student did include or used the log ineffectively.	Student included printing log and is filled out and used effectively	Student included printing log and is filled out thoroughly, and used effectively		
Field Journal/ List of Elements and Principles	Student did not include or used the log ineffectively.	Student did include or used the log ineffectively.	Student included printing log and is filled out, and used effectively	Student included printing log and is filled out thoroughly, and used effectively
